Dear Sir or Madam:

This letter shall serve as a request for refund of \$1,640 in fees paid on February 8, 2008 for filing a renewed petition for acceptance of an unintentionally delayed domestic priority claim in the above-referenced matter. Pursuant to 37 CFR 1.26, this request is being submitted within two years after the filing of the petition.

Enclosed are copies of the Electronic Acknowledgement Receipt and Electronic Patent Application Fee Transmittal generated on February 8, 2008 reflecting the fees paid for filing the renewed petition under the authorization of the undersigned. The second payment was necessary in order to process the renewed petition, and the entire amount of the payment is refundable.

Also enclosed are copies of the Electronic Acknowledgement Receipt and Electronic Patent Application Fee Transmittal reflecting the fees paid for the initial petition filed on April 4, 2007. Although the initial payment was made from Deposit Account No. 50-2811 belonging to Thelen Reid, et al., that firm is now defunct, and a copy of the pertinent Deposit Account Statement is not available. Management of the above-referenced patent is currently under my direction through Sheppard, Mullin, Richter & Hampton LLP pursuant to the Power of Attorney filed on March 17, 2009 (copy enclosed). Therefore, please credit the refund to Sheppard, Mullin's Deposit Account No. 50-4561.
